

## Aircraft Structural Test & Evaluation Center (ASTEC) Kansas Coliseum

Date: Tuesday, Dec 8, 2015

Time: **5:15 PM** (Tour starts at 5:30 PM)

Location: 1229 E. 85<sup>th</sup> St North, Park City, KS 67147

Details: Enter from 85<sup>th</sup> Street and park directly in front of the building and enter on the north side. Please wear closed-toe shoes that are comfortable for walking. We will be going up and down a couple flights of stairs and across the arena. Due to the nature of some of their projects, only U.S. citizens will be allowed on the tour. **Tour registration deadline is noon on December 1<sup>st</sup>.** When making a registration, please include full name (first, middle, last) and employer.

### **Join APICS Wichita & IMA for a tour of the NAIR Aircraft Structural Test & Evaluation Center (ASTEC)**

At 130,000 square feet, ASTEC has the capacity to host full-scale structural testing for some of the world's largest aircraft, or multiple aircraft simultaneously. The center also includes laboratories for component and materials testing, enabling commercial and military aircraft manufacturers to conduct virtually any kind of testing in one location. Come join us December 8 and tour this amazing facility.

For reservations, please visit our website ([www.apics-wichita.com](http://www.apics-wichita.com)), send an email to [rsvp@apics-wichita.com](mailto:rsvp@apics-wichita.com) or call Kevin Parker at (316) 636-8224.
